Note: All minimum requirements for the current Piano Performance degree remain unchanged in this dual curriculum. Additional courses and differing distribution requirements for the degree in Vocal Accompanying appear in italicized text.

<sup>1</sup> The piano department strongly recommends that seniors elect to take six credit hours of principal applied study both semesters of their senior year.

<sup>2</sup> Two of these hours must be earned in the vocal area.

<sup>3</sup> Or OPTH 202 followed by an individually tailored "production project."

<sup>4</sup> Two courses in Music History beyond MHST 101 are required, including MHST 255.

<sup>5</sup> If proficiency can be demonstrated, other languages (Italian, Spanish, Russian) or other liberal arts courses may be substituted.
